

STORAGE

design **Piero Lissoni + CRS**

Programma completo, progettato all'insegna della razionalità e della funzionalità, Storage è in grado di contenere e di mostrare gli oggetti riposti, trasformandosi con naturalezza da armadio a cabina. Capace di annullare la sua presenza in ambienti dalle dimensioni contenute, è al contempo ideale per definire spazi ampi, creando inedite scenografie dell'abitare. Le discrete ed eleganti ante, a battente, pieghevoli, complanari, scorrevoli, celano organizzati interni in Mongoi, suggestiva finitura dall'impatto emozionale, a contrasto con la contemporanea imperturbabilità delle bianche superfici esterne. Le ricche attrezzature in Mongoi animano la cabina aperta, dall'essenziale struttura aerea, sostenuta da luminosi profili in alluminio di rigore geometrico.

Storage is a complete programme designed to be functional and practical. It is able to hold and show different items by changing from cupboard to walk-in closet. It can efface itself in small rooms and in the meantime it can to determine large rooms by creating original living sets. The fair and elegant hinged, folding, pullout sliding and sliding doors hide Mongoi equipped insides. Mongoi is a suggestive and emotional finish in contrast to the contemporary imperturbability of external white surfaces. Rich Mongoi outfitting lives up open walk-in closet with its basic frame held up by bright aluminium drafts.

MATERIALI

Materiali struttura

Struttura

Pannello di particelle di legno con nobilitazione melamminica bianco, rovere "carbone", hemlock "cenere" e mongoi o rivestito con tranciato rovere naturale e laccato opaco nei colori di campionario

Montante e trasverso

Estruso in alluminio rivestito mongoi o hemlock cenere, oppure verniciato bianco o nero

Materiali attrezzatura

Cassettiere frontale legno

Struttura in pannello di particelle di legno con nobilitazione melamminica bianco, rovere "carbone", hemlock "cenere", mongoi oppure laccato opaco nei colori di campionario.

Cassettiere front. cristallo

Frontale e fianchi in cristallo temperato trasparente o acidato

Cassetto interno

Pannello di particelle di legno con nobilitazione melamminica hemlock "cenere"

Asta appendiabiti

Estruso in alluminio verniciato bianco, moka o nero

Servetto

Ferro cromato e plastica

Luce

Materiale esterno in policarbonato

Structure materials

Division side

white, "carbone" oak, "ash-grey" hemlock and mongoi particle board with white melamine finishing, or with melamine finishing overlaid with "carbone" oak, "ash-grey" hemlock or mongoi sheet, or matt lacquered in all colours of our collection

Upright and bracket

Aluminium extruded overlaid with mongoi or "ash-grey" hemlock or white or black varnished

Outfit materials

Drawer set, wood front

Particles board structure with white, "carbone" oak, "ash-grey" hemlock, mongoi melamine finishing, or matt lacquered in all colours of our collection melamine finishing

Drawer set, glass front

Tempered transparent or sandblasted glass fronts and sides

Internal drawer

"Ash-grey" melamine particle board

Clothes rod

White, moka or black varnished aluminium extruded

Valet system

chromium plated metal and plastic

Light

polycarbon for external part
